COMMERCIAL

As a full-service interior contracting firm, we will take care of all details pertaining to your design, whether new or a redesigned. The only thing you as a client would be responsible for, would be telling us what you desire. Whether you are looking to transform your commercial or corporate offices, we have the experience and talent to deliver exquisite, beautiful and highly functional and cost effective interior solutions.

RESIDENTIAL

As a luxury full-service interior contracting firm, we will be with You every step of the way. From initial contact to make sure we are right fit, to have a glass of champagne waiting for you when we welcome you into the full reveal of your newly designed or remodelled home.

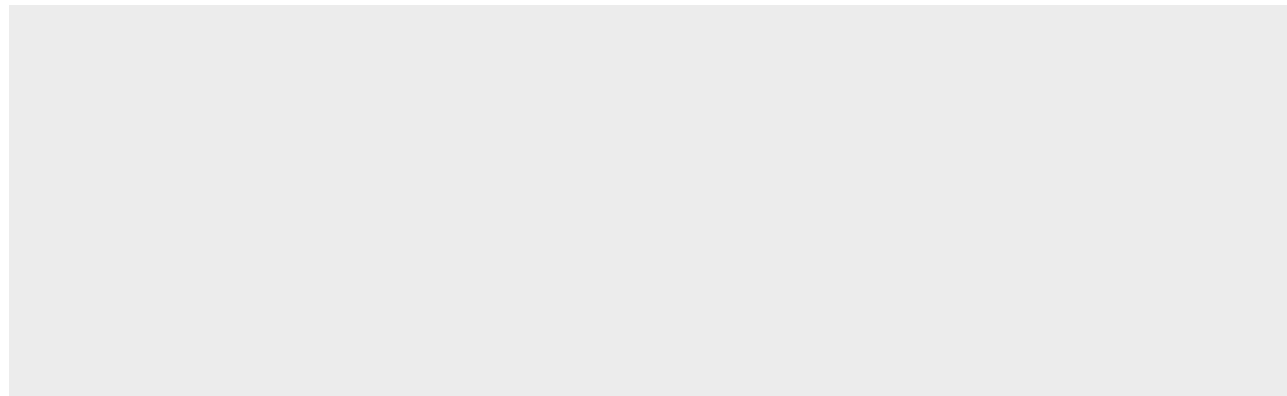

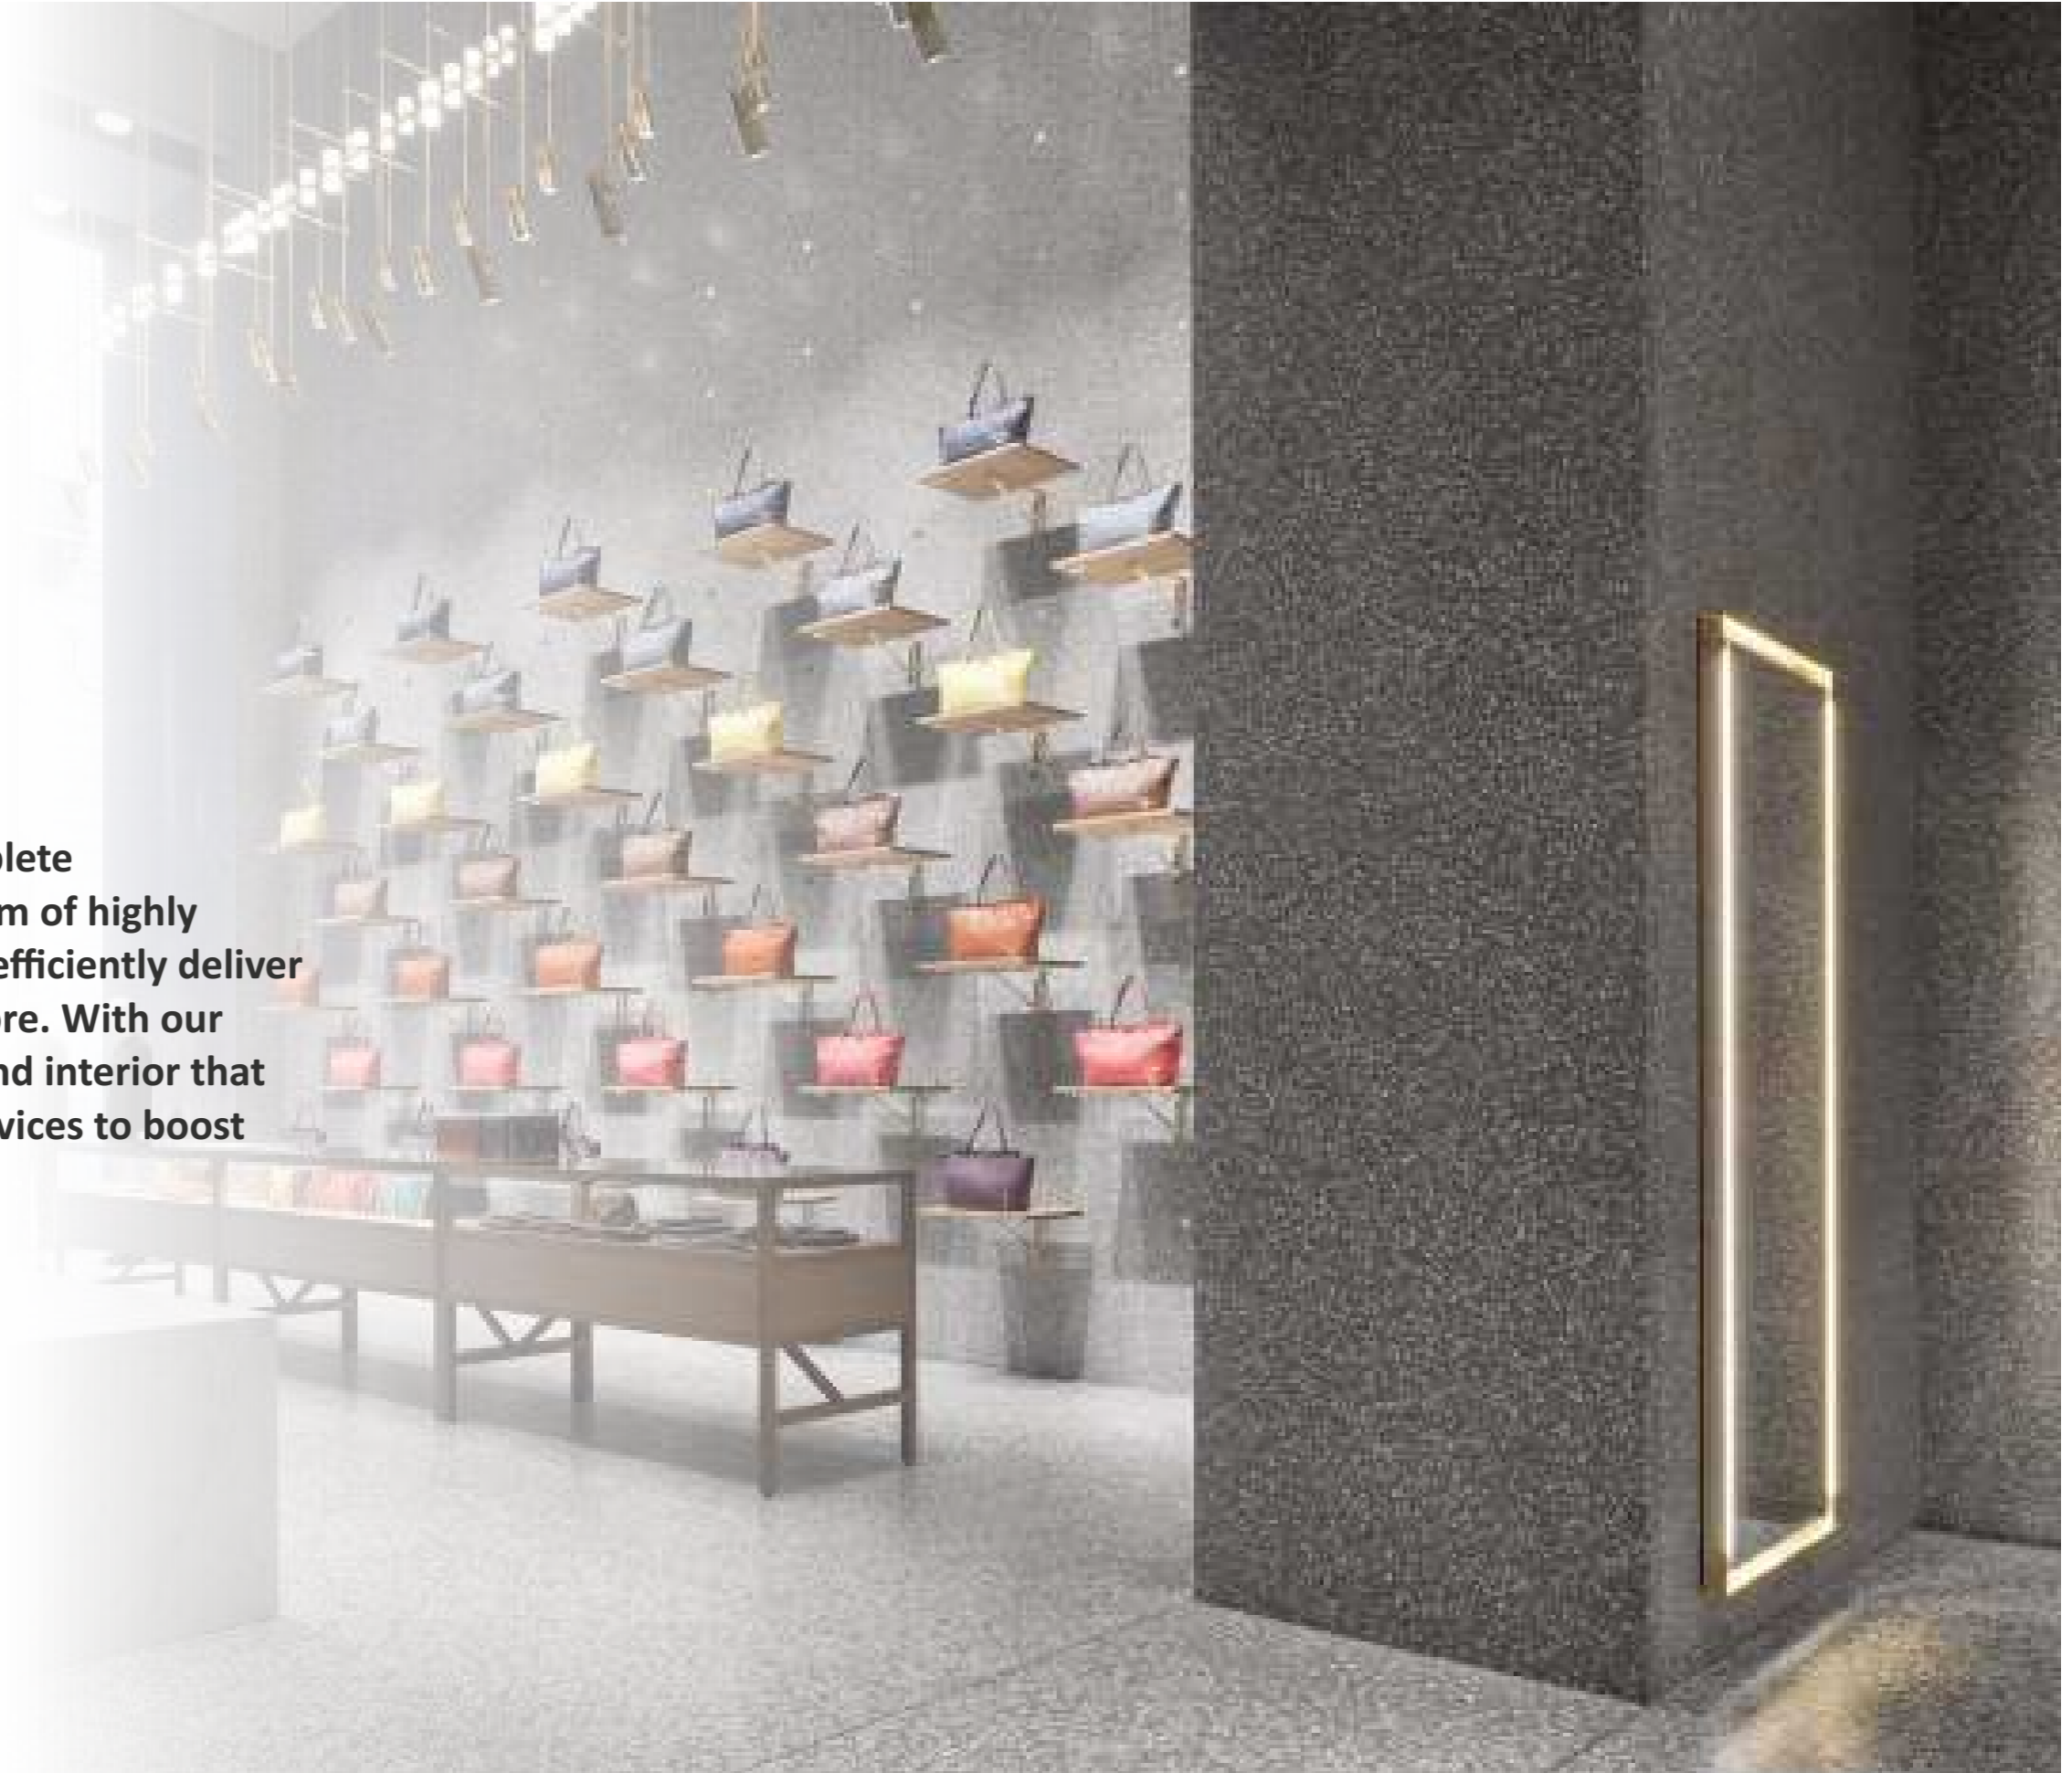

RETAIL

Hakik Contractors team provides complete solution for retail units. We have a team of highly trained and experienced experts who efficiently deliver world class solutions for your retail store. With our expertise, we can help you to create an interior that highlights your brand, product and services to boost your sales.
